### Product Information

Part #	Finish	RoHS
PF752BG	Black Anodize	RoHS  Compliant

### Mechanical Outline Drawing

Heat Sink Mechanical Drawing

### Thermal Curve

<b>Thermal Resistance</b>	23.70
---------------------------	-------

Thermal resistance value is based on a 75°C rise in natural convection

### Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [sales associate](#). Challenge us with your thermal requirements - we can design custom solutions.
