Product Information

This non-electronic component is functionally unaffected by the normal soldering or reflow processes used for semiconductor circuits. The heat resistance time or heat resistance temperature is not applicable for the component.

Part #	Finish	RoHS	PCN
SW25-2G	Black Anodize	RoHS Compliant	Product Change Notice

Mechanical Outline Drawing

A Dim	25.00
--------------	-------

Thermal Curve

Thermal Resistance	13.00
---------------------------	-------

Thermal resistance value is based on a 75°C rise in natural convection

Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [sales associate](#). Challenge us with your thermal requirements - we can design custom solutions.
