Inspection / Material Control Tags

- Tags meet OSHA Standard 1910.145 for accident prevention
- **Heavy-duty Laminated Polyester (LAM)** meet OSHA's 50 lb. pull force requirement for tagout and have superior chemical resistance. Plastic tags are encapsulated in matte polyester laminate for superior durability. Nylon ties included.
- **Economy Polyester (POLY)** meet OSHA's 50-lb. pull force requirement for tagout and have moderate chemical and UV resistance. Nylon ties included.
- **Cardstock (CARD)** provide an economical, yet durable, material option. Attachment strings included.
