

General Info

Part Number	C2-SDHU1-16G.F
--------------------	----------------

UPC	
------------	--

Warranty	
-----------------	--

Packaged Dimensions	D 2.07 x W 23.77 x H 31.88
----------------------------	----------------------------

Packaged Weight	0.2 LB
------------------------	--------

Specifications

Technology	SD 3.0 / UHSI
-------------------	---------------

Capacity	16GB
-----------------	------

Class	Class 10
--------------	----------

Format	FAT 32
---------------	--------

Read Speed	90 MB/s
-------------------	---------

Write Speed	30 MB/s
--------------------	---------

Operating Temperature	Commercial (0 to 70 C)
------------------------------	------------------------
