Cover WINSTA® IDC

The cover from the WINSTA® IDC product line is the sophisticated solution for trouble-free electrical installation. You can rely on the quality of WINSTA® components from WAGO for your electrical installation accessories too.

WINSTA® IDC solutions for your electrical installation - protected against mismating and maintenance-free

The WINSTA® Pluggable Connection System is ideally tailored to the very strict requirements of building installation. It makes electrical installation pluggable, and consequently more efficient, more reliable, and error-free. Using this pre-assembled system decreases assembly times and installation errors at the construction site. Choose quality and durability – with protection against mismating from WAGO makes the installation of electrical components visibly easier.

- saves time, since no wiring is required at the construction site
- · convenient installation and commissioning

Material data	
Note (material data)	
	<u>Information on material specifications can be found here</u>
Color	black
Flammability class per UL94	VO
Fire load	0.252 MJ
Weight	10.8 g

Environmental requirements	
Processing temperature	-5 +40 °C
Continuous operating temperature	-35 +85 °C
Note on continuous operating temperature	Insulating parts for temperatures ≤ 105 °C

Data Sheet | Item Number: 895-1605
