

Color: ■ black

| Technical data     |          |
|--------------------|----------|
| Number of spacings | 1 -times |

| Physical data |                     |
|---------------|---------------------|
| Depth         | 50 mm / 1.97 inches |
| Pin spacing   | 3.5/3.81 mm         |

| Mechanical data |                      |
|-----------------|----------------------|
| Suitable        | for 734, 2734 Series |

| Material data                      |                                            |
|------------------------------------|--------------------------------------------|
| Color                              | black                                      |
| Material group                     | I                                          |
| Insulation material (main housing) | Glass fiber-reinforced polyamide (PA66 GF) |
| Flammability class per UL94        | HB                                         |
| Fire load                          | 0.036 MJ                                   |
| Weight                             | 1.2 g                                      |
