**Product Information**

| Part #        | Finish        | RoHS              | PCN                       |
|---------------|---------------|-------------------|---------------------------|
| 575502B00000G | Black Anodize | RoHS<br>Compliant | <br>Product Change Notice |

**Mechanical Outline Drawing**

**Thermal Curve**

|                           |       |
|---------------------------|-------|
| <b>Thermal Resistance</b> | 24.00 |
|---------------------------|-------|

Thermal resistance value is based on a 75°C rise in natural convection

**Not Exactly what you need?**

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [sales associate](#). Challenge us with your thermal requirements - we can design custom solutions.
